

Grandpa Jim's Fishing Adventures

Reservation Form

Please read this registration form thoroughly before signing and sending in your deposit.

Safety and Responsible Behavior

These adventures and guide tours are meant to be fun. The best way to have fun is to be prepared and be responsible. Safety is my primary concern, especially when handling fishing equipment and being out on the water.

Unsafe or unruly behavior on the water will not be tolerated!

Grandpa Jim cannot be responsible for injuries resulting from unsafe acts. Fishing tackle includes sharp hooks, weight sinkers, and bobbers that fly. **Fisherman age six (6) and under must wear a Personal Flotation Device (PFD or Life Jacket) at all times.**

Special Needs or Conditions

Please notify Grandpa Jim of any special needs (a ramp for a wheel chair) or medical conditions (such as heart problems, diabetes, or seizures). I am CPR trained and can best assist you in an emergency if I know about potential problems before they arise.

Items to Bring (checklist)

Camera, Hat, Sunglasses, Sun Block, Jacket, Comfortable Shoes, Bug Repellent, Rain Gear (in case of rain), drinks and snacks (for 3 hours).

Fishing License! (for anyone 17 years old and older)

Everyone on board will be considered fishing by the DNR.

Your Catch

Pan fish may be kept for the table. I encourage catch and release Bass fishing, but we can always make an exception for a wall hanger! I will clean fish for an additional \$5.00.

Tackle

Tackle is provided, but feel free to bring your own. I am happy to teach anyone the proper way to prepare your tackle box and your rod and reel. If you want advice on equipment, including boats, fishing gear, and bait, I am happy to share my knowledge.

Restroom

There is an outhouse at the boat launch.

Grandpa Jim's Fishing Adventures
